Orange style Chardonnay? You mean, Orange style Chardonnay! Those that know it miss it, those that haven't had it...get ready. This is not your normal Chardonnay! Honey, lemon, roasted tropical fruit on the nose make for an unexpected start, giving familiarity with grilled papaya and a long tart finish.				
— 2020 Colorado Orange Muscat Talbott Vineyard Barrel #297	\$6	\$26	\$20.80	
A crisp, clean Muscat with orange blossom aromas leading you into tart tangerine and sour orange peel flavors. The finish is warm and satisfying. Oh did we mention, its dry!

New Release!				
— 2021 American Pinot Grigio Barrel #20-21	\$8	\$32	\$25.60	
Summer is here! What better way to celebrate than with our new Pink Pinot Grigio? Made in orange style, five days of skin contact during fermentation contributed to the pink color of this unique wine. Light, refreshing and crisp on the palate with flavors of juicy white peach and a satisfying tropical finish of ripe pineapple and toasted coconut. The luscious texture and lingering acidity make it a great choice for spring hikes or warm nights.

Red Wine—Fruity and Complex				
— 2020 American Sangiovese Barrel #148	\$8	\$34	\$27.20	
Such a fresh vintage for Sangiovese! A pull away from last year's rustic candied fruit, we see vibrant aromas of boysenberry and plum. We love this year's color—intense crimson, purple and pinks from a long and steady extraction. Surprisingly energetic and lively on the tongue with slashing tart current flavors.				
— 2018 Colorado Zinfandel Black Vineyard Barrel #198	\$8	\$32	\$25.60	
The new vintage of Black Zinfandel is a great example of the elegant side of the varietal. There's plenty of fruit, but it maintains a vibrant, exuberant freshness that's often absent in large production examples. Incredibly approachable, easy drinking Zin!				
— 2017 Colorado Tempranillo Talbott Vineyard Barrel #33	\$8	\$34	\$27.20	
A returning vintage showcases everything we love about Tempranillo grapes. Full on flavor yet pure, this wine remains easy drinking and fresh. Aromatically, it leaps from the glass with notes of black cherry and ripe plum. There's a subtle minerality on the finish, which is an interesting contrast to the fruit character.				
— 2020 Colorado Tempranillo Avant Vineyard Barrel #292	\$8	\$32	\$25.60	
The traditional Spanish varietal continues to thrive here in Colorado! Mellow and round aromas of strawberry candy contrast savory loin, chutney, and scone batter as a delightful nuance from the oak. An incredibly diverse wine that remains approachable and medium body on the palate—a no brainer for any occasion!				
— 2019 Colorado Merlot Mendenhall Vineyard Barrel #223	\$7	\$30	\$24.00	
A newly released rustic Merlot. On the nose you will find aromas of eucalyptus and fresh forest notes. Tart blue plum skins enter the palate, while stewed plums remind you of summer berry pie. Long grippy tannins ask for another sip.				
— 2020 American Carignan Barrel #226	\$9	\$38	\$30.40	
Pie cherries and vanilla on the nose usher in this wonderfully ripe Carignan. Hefty fruit and warm textures wrap themselves around an earthy and bold center. The intensity of this wine's fruit is matched by its robust finish, making for a solid pairing against bigger dishes.				
— 2017 American GSM Barrel #100	\$8	\$32	\$25.60	
The blend is back! A long awaited for Cuvee consisting mostly of Syrah alongside noticeably juicy Grenache and deep Mourvedre. The aroma offers mild spice accompanied with fresh floral notes; a result of the whole cluster fermentation. The palate expresses vibrant cherry, energetic and pleasing as it finishes with subtle tannin. A juicy delight fit for lamb, roasted veggies, or backyard lounging.
